

Serial No.: 10/822,861  
Atty. Docket No.: P69661US0

**IN THE SPECIFICATION:**

On page 14, please amend the first paragraph as follows:

--Two lines, 11 and 12 are illustrated. These lines describe the penetration depth - or melted volume - of the radiation in two instances, as well as the hemispherical profile of the melted volume in each case.--
